

# SUPER SEMA

## CREATOR

Come up with your own story about your favorite superhero.

Write it down and draw a picture.

Ask a grown-up to read it to you.

## TECHNOVATOR

Time to technovate! Imagine all the paper in the world suddenly going to disappear. What would you do? What would you invent? What would you create?

What would you do if you had a superpower? What would you do if you had a superpower? What would you do if you had a superpower?

Bonus: Write a story about a superhero who can control technology.

## SUPERHERO

Leadership is a superpower. When you lead people, you inspire them to do something. Practice your leadership by playing the blindfold game. A handkerchief, strip of fabric, or any safe material can be used to blindfold your friend or yourself. Practice your leadership by helping your friend or yourself.
